THOMAS C. SMITH MAY BE NAMED

Well-Known Alexandrian is Candidate for Internal Revenue Collector.

OTHER CANDIDATES.

Factions in Virginia Politics Cannot Agree on Man For Remunerative Position in Federal Service.

Thomas C. Smith, vice-president and cashier of the Alexandria National Bank of this city, is being seriously considered for the position of collector of internal revenue for the Western District of Virginia, according to information which has been received here.

Mr. Smth is a candidate to succeed David F. Bailey, the present collector who is located at Abingdon, and is regarded as a compromise candidate. It is said that one faction of Democracy in Virginia has recommended J. M. Hart, of Roanoke, for the position, while the other is backing Peyton St. Clair, of Pulask. In the event that neither side can have their man named by the President it is believed that Mr. Smith will stand a good chance of securing the nomination.

Mr. Smth is a native of Culpeper, Va., but for the past eight years has made his home in Alexandria. He is prominent in business, social and fraternal circles and is ideally fitted for the position he seeks.

R. C. L. Moncure, a brother of Hon. Robinson Moncure, of this city, and a member of the Eighth District Democratic Committee is a candidate for collector of the Eastern District of Virginia, which includes territory east of the Southern Railway.

BLACKS SHOOT OFFICERS.

Two Members of B. and O. Police Force Wounded in Battle With Negroes.

Cumberland, Md., Oct. 23.—Lieut. E. B. Kinney, West Union, W. Va., and Patrolman J. C. Orr, of the Baltimore and Ohio police force, were shot late yesterday afternoon by a band of negroes on the Baltimore & Ohio cut-off improvement near Hansrote, W. Va., about 30 miles from Cumberland.

Orr's condition is critical. He was shot twice through the abdomen. Kinney was shot twice in the side.

One negro, known as "Corncake" was shot over the eye, the bullet coming out at the top of the head. He was taken to a hospital at Martinsburg, W. Va., with another negro man and two women, while four negroes escaped.

The Baltimore and Ohio Railroad is policing the work where several thousand men are employed. The negroes had been quarreling in the camp, presumably over the women, and they continued their dispute on the track. They met Officer Orr, stopped them, and without parley they are said to have commenced to shoot. Lieutenant Kinney, with one of the officers employed by Contractor Kerbaugh, came up and was fired on.

NEWS OF THE DAY.

The evidence with which the prosecution expects to convict Mrs. Jennie May Eaton of the murder of her husband, Rear Admiral Joseph G. Eaton, was practically concluded yesterday at Plymouth,Mass., when the government rested its case. Most of the evdence dealt wth statements said to had been made by the defendant in letters and conversationregarding the Admral's alleged habit of dabbling with poison and his alleged susceptibility where women were concerned. The last witness, Ralph P. Keyes,, husband of Mrs. Eaton's older daughter, June, testified that he once heard Mrs. Eaton tell his wife that the Admiral had 'put away more than 10 men" on his ship at one time by means of poison.

General Felix Diaz, in defiance of the intimation from the Mexican government that he procede to Tampico, aboard the steamer Corcovado and there disembark, has decided to remain at Vera Cruz at least temporarily. According to reports he is likely to return to Havana aboard a Mexican warship, and unless the orders from the capital are altered, he will be left no choice.

Telegrams from Lisbon state that the city is in a state of complete anarchy. The rumor is in circulation that a number of sailors and policemen have rebelled, and that an admiral, impotent to restore order, has committed suicide. It is also stated that a crowd attacked the capital while parliament was in session.

A bolt of lightning struck a marching column of the Sixth U. S. Cavalry between Texas City and Galveston yesterday morning, instantly killing privates Monroe, Morris, George Morris and Jno. Zimmer.. Veterinary Surgeon Devine was injured, but not seriously. The regiment was enroute to Galveston for target practice. The bolt struck the wagon train with which the three men were detailed. Many soldiers were severely shocked. Scores of horses and mules were knocked flat by the force of the shock.

Serious fighting has occurred and still continues at Talipao, in Mindanao, between tribesmen and Philippine scouts. So far as reported five scouts have been killed and eight wounded.

At last, after days of heresay evidence and trivialities, light seems to be dawning on matters concerning the "ritual murder" trial at Kieff, and, incidentally, a stronger and closer web of suspicion is being drawn about the mysterious woman, Vera Cherberyak, and her companions. The prolonged testimony of Kraskovsky, former chief of police of Kieff, has supplied a story which continually shifts the blame for the murder further and further away from Belliss.

The Rev. Hallock Schenck, tried for alleged misconduct, was convicted of indiscretions by the committee appointed by the Methodist Protestant conference at Atlantic City, of which Charles D. Sinkinson was chairman. The preacher was found guilty of walking and riding with a girl, a member of his parish. The girl was Miss Sarah Foreman, who is considered one of the prettiest young women in the congregation. Mr. Schenck resigned yesterday.

Twenty-eight persons, including former Mayor Charles S. Lambert, and twenty-three other former East St. Louis, Ill., officials were indicted by the grand jury yesterday as a result of a probe of East St. Louis municipal affairs. Most of the indictments charged conspiracy to defraud the city of large sums of money, estimated at $100,000.

The bones of Christopher Columbus, now in the cathedral at Santo Domingo, will be sent to the Panama Pacific Exposition in San Francisco as a part of the Dominican Republic's exhibit.

The Rev. Dr. Thomas Kimball Noble, one of the oldest Congregational clergymen of the country, died at his home in Washington yesterday afternoon, after an illness of about six weeks. Dr. Noble was a native of Norway, Me., and had lived in Washington more than ten years. He was eighty-one years old.

LINE OF RICHMOND-WASHINGTON ROAD

Postmaster General to Decide on Route of New Highway.

TO HEAR ARGUMENT.

Division Experts Hold Conference With Those Interested in Disputed Loop.

Richmond, Va., Oct. 23.—The route of the Richmond-Washington highway will be definitely mapped out today, probably by Postmaster General Burleson. Certainly the decision will be made some time this week.

This announcement was made yesterday by Mr. V. M. Pierce, of the highway division of the agricultural department, to a meeting of the supervisors and interested citizens held yesterday afternoon in the Supreme Court room. State Highway Commissioner P. St. Julian Wilson, President White, of the Richmond, Fredericksburg and Potomac Railway, and Henry W. Anderson, counsel for the Richmond-Washington Highway Association, were present at the conference.

The matter in which the Hanover citizens are concerned in the route of the proposed highway through that county. One route mapped out will carry the hghway through Ashland, and the other describes a ten mile loop, which will dodge that town, but it is said to be more direct. Mr. Pierce was asked to come to Richmond and confer with the Hanover people about the situation. Arguments were presented in favor of both routes by the citizens, each side having ample evidence to offer that its way was the best.

Mr. Pierce explained that since Congress had made its appropriation to the project on the ground that it was to be a post route, that the determination of the course of the highway was entirely in the hands of the post office department. An expert engineer from this department, he said, had been over all the proposed routes carefully and his report had been in the hands of the postmaster general for some time. As soon as he received the request to met the Hanover people in conference he had requested the post office department to withhold its decision for a few days until he could hear the arguments of the Hanover people pro and con.

Mr. Pierce, who returned to Washington yesterday afternoon, promised to lay the whole matter before Postmaster General Burleson this morning and that his decision as to the entire route would probably be made known today. He expressed the opinion that the postmaster general would be entirely willing to give everybody interested a hearing after he had decided upon the route of the highway.

There were about twenty-five officials and citizens of Hanover county present at the conference yesterday.

Almshouse Destroyed by Fire.

Roanoke, Va., Oct. 23.—Fire originating from causes yet undetermined in the main building of the municipal almshouse, about 3:15 o'clock a.m., yesterday, completely destroyed the almshouse proper, the residence occupied by D. H. Christian, superintendent of the poor, a kitchen and store room, entailing a loss between $4,000 and $5,000.

The burned buildings were insured for $2,800.

Ten inmates of the main building and those in the superintendent's home escaped without injury.

LECTURE ON O'REILLY.

Romantic Career of Celebrated Irish Patriot Told by Arthur O'Neill.

The assembly hall of St. Mary's was filled with the students yesterday at two o'clock, when Arthur Barry O'Neill, C. S. C. of Notre Dame University, delivered a lecture on the celebrated Irish patriot, English felon, noted journalist and poet, John Boyle O'Reilly. The speaker, a poet, of no mean order, who occupies a chair at the University, and is on the staff of the "Ave Maria," a weekly sent out from Notre Dame, was well qualified to estimate so intricate a character as O'Reilly, and the lecturer clearly presented to the young students his romantic career, first as a son of Erin with all the patriotism of his race, then as a Fenian felon in an Australian prison, lastly as an adopted son of America to whose literary fame he added a glory that will grow greater with time. Journalist, novelist and poet he was and the reverend speaker carefully presented each phase of his literary career, drawing the while lessons that were instructions and inspiration.

With the zest of one who has climbed the heights and tasted the sweets of Parnassus, Father O'Neill dwelt long upon the divine gift which makes the poet and from the many soul stirring lines that were the product of O'Reilly's heart, he culled the most inspiring, showing as he advanced deeper into the rich mine of poetic wealth, O'Reilly as his readers know him best—through the pages of his poetry.

In conclusion he showed the man—generous, kindly, lovable,—whom a nation mourned when, in 1890, death took from his cold hand the facile pen that was ever used in the cause of truth, justice and liberty. At the conclusion of the lecture, the prolonged applause of the students testified their appreciation of the lecturer and his theme, and it is safe to say that a new impetus was yesterday given to the study of so varied and so able a writer as John Boyle O'Reilly.

POLICEMAN SHOT.

Thrilling Experience With Desperate Negroes in Washington.

Policeman D. R. Housley, of the Fifth Precinct, of Washington, was shot in the left hand by Frank Butler, colored, last night in New Jersey Avenue, between M and N streets, southeast. Butler was arrested by Housley on a charge of disorderly conduct in a saloon. When the policeman took hold of Butler the negro grappled with Housley, and in the scuffle got hold of the policeman's revolver. He shot once, the ball passing through Housley's hand. Following the shooting, Butler disappeared and later he was traced to the house at 924 First street southeast. The house was surrounded. When Butler saw that his arrest, was certain, he leaped from a second-story window and started to run. Policeman Hurst was the first to see the fleeing man and he brought him to the ground with a shot in the back. Butler was taken to Casualty Hospital, where, it was said last night, his chances for recovery are slight.

Former Police Sergeant John Barry was shot in the left shoulder by an unidentified colored man shortly after 6 o'clock last night, in E street, between Four-and-a-Half and Sixth streets southwest, when he attempted to stop the negro, who was making his escape after stabbing a colored woman of 496 Maine avenue southwest. Barry's wound is not serious.

Edna Phillips, twenty-five years old, was cut on the shoulder by an unidentified man at Fisherman's Hall. Henry Scott, colored, attempted to catch the woman's assailant. As he ran down E street Barry called him to halt, but instead the man whipped out a revolver and shot.

NEGRO SHOOTS TWO OTHERS.

Bluefield,W. Va., Oct. 23—On Monday at Williamson,W.Va., Will Green, colored, shot and killed a woman by the name of Mary Justice, an dprobably fatally injured a colored man by the name of Will Crockett. It saw said an old grudge between the men was the cause of the shooting as the woman hardly knew Green. Green boarded a westbound freight train and escaped. Officers are after him.

ACTION ON NEGRO BISHOP DEFERRED

Decision Reached in Episcopal Convention After Discussion.

TO SLEEP FOR 3 YEARS.

Representatives From the South Divided as to Wisdom of Creating Separate District.

New York, Oct. 23.—The general convention of the Protestant Episcopal Church postponed yesterday for three years action on the question of giving the negroes of the South a bishop to represent them directly in the House of Bishops. The decision to defer voting on the matter was reached after several hours of debate participated in by delegates from many states of both North and south. The Southern delegates were divided as to the wisdom of creating a separate territorial missionary district for negroes.

Those who opposed the plan held it would mean ultimately the establishment of a negro Episcopal Church entirely apart from the present church; they declared the Southern negroes were not sufficiently developed to assume church responsibilities. Supporters of the plan declared a merger of white and negro congregations in the South impossible, and that it were better to give the negroes a church of their own than for them to have none at all. The lamentable conditions among many Southern negroes were pointed out. It was asserted the Church had failed to alleviate those conditions and that it should experiment with a negro bishop.

A resolution was introduced by Rev. W .A. R. Goodwin, of the diocese of Western New York, authorizing the Episcopal Church to co-operate with Christian boards of other denominations in the matter of general unity in church missions at home and abroad. The suggestion was made the order of business for tomorrow forenoon.

It was announced on behalf of the House of Bishops, that Rev. Hugh Burleson, secretary of the board of missions, had declined appointment as bishop of the missionary district of North Dakota, explaining he preferred to continue his present duties, Rev. John Poyntz Tyler, D. D., archdeacon of Cumberland, was appointed to fill the North Dakota vacancy. Dr. Tyler is rector of St. John's Episcopal Church, Hagerstown, Md.

The pension plan proposed by the House of Deputies for aged clergy, was approved by the House of Bishops. The pensions are fixed at $600 minimum and $2,000 maximum, graduated according to clergymen's salaries during active pastoral labors.

The cryptic hand writing of a Southern bishop caused an error in the announcement of the election of the bishop of Spokane last Monday. The announcement made then was that the office had been filled by the selection of Rev. W. B. Capers, D. D., of Columbia, Tenn. Examination today of the original draft of the resolution adopted, showed that the new bishop of Spokane is Rev. W. T. Capers, D .D., rector of the Church of the Holy Apostles, of Philadelphia, a brother of W. B. Capers.

Father, Brother and Sister of Murderer, Ended Lives.

Chicago, Ill., Oct. 23.—The case of Henry Spencer, the confessed murderer, now awaiting trial for killing Mrs. Mildred Allison Rexroat, has aroused widespread interest among students of criminology. An investigaton of his antecedents has brought to light these facts:

That three years after his father had killed himself Spencer's only brother took his own life.

That one of his sisters killed herself out of despondency after Spencer had been sentenced to his first term in prison.

That a third sister married and after bearing two children died of tuberculosis.

MAY GIVE IT OVER.

Florence Crittenton Mission May Take Home For Girls at Bon Air.

Richmond, Va., Oct. 23.—The management of the Virginia Home and Industrial School for Girls, in Chesterfeid county, near Bon Air, which was indicted by a Chesterfield county grand jury Monday, may pass to the National Florence Crittenton Mission, it develops.

Mrs. Kate Waller Barrett, of Alexandria, president of the Mission, is in Richmond, in connection with the matter.

While no action has been taken by the executive committee of the home representatives of the great national social service institution of Washington are in the city and have been in conference with members of the executive committee and also members of the State board of charities and corrections.

It is understood that a formal proposition regarding the matter will be made at once and the advisability of turning over to the Florence Crittenton Mission the management of the home has met with considerable approval.

It s said that should the home be placed with the Florence Crittenton Mission an expert would be put in charge of the home with two competent assistants and that experts connected with the mission would be sent regularly on visits to the Chesterfield home for girls. The experts would watch conditions and make suggestions regarding the best methods to pursue in the conduct of the home that has recently come into notoriety.

The local boys had the ball within ten yards of the opponents' goal, but reepated fumbles lost the ball. Line bucking of Wenzel, and Poss running were features of the game. Raison also played a good game.

NEW MEXICO MINE HORROR

Two Hundred and Sixty-Six Men Believed to be Dead.

DEADLY COAL GASES.

Nearly Three Hundred Caught When Explosion Occurs — Seven Survivors Brought to Surface.

Dawson, N. M., Oct. 23.—At an early hour today 266 miners who were entombed late yesterday by an explosion in Stag Conon coal mine No. 2 were still trapped and it's feared all may be dead. Of the 287 men in the mine when the explosion occurred, seven had been rescued alive and 14 bodies had been recovered.

At daylight today rescuers had been in the mine for twelve hours fighting the deadly gas and fumes resulting from the explosion.

The fumes were so heavy that the rescuers had to work with oxygen helmets in short shifts. Fearing that the death toll would be the greatest in recent western coal mine history, the coroner early today rushed requests to Trinidad and Denver for coffins.

What caused the explosion has not yet been ascertained, but it is believed to have been the result of an accumulation of dust. The mine, owned by the Phelps-Dodge interests, was recently declared one of the safest in the West. In the eighteen years it has been operated it has had never before an explosion.

This explosion occurred on the second level of what is known as the High Line, the largest of the five operated by the company here. The earth in the vicinity of the entrance was shaken as by an earthquake and a moment later smoke was seen to issue from the shaft.

Immediately the officials of the company began an investiagtion and rescuers discovered the mouth of the main slope was caved in for a distance of nearly 100 feet. Workmen attacked the debris but their progress was slow because of the terrific obstacles presented.

SHOOTS FARMER.

Douglas Lawrence Killed by Orrin Nunn—Latter Was Drunk.

Martinsville, Va., Oct. 23.—Douglas Lawrence, a young farmer of the Mountain Valley section of Henry County, was shot and killed in R. D. Giles's store here Tuesday night by Orrin Nunn, a young white man, employed at the town power station. Nunn entered the store in an intoxicated condition, spoke to Mr. Giles and a Mr. Gravely. Not knowing Lawrence he asked with an oath who he was. A little later he applied a vile epithet to Lawrence, and the latter reached out as if to take hold of him when Nunn drew his pistol, pressed it against Lawrence's heart and fired. A scuffle folowed, in which a second shot was fired, after which Nunn broke from the store and ran. He went to the power station and had Mr. Pharis, a coemploye, telephone to the store and ask what he had done. Upon being told he started to escape, but the officers who had pursued in an automobile were close upon him. He attempted to wade the river, but gave it up and returned to the power station, where he was arrested. He is lodged in jail here.

Lawrence is a son of Mrs. Mary B. Woodall, of this county, and was about twenty-seven years old. Nunn, who is about twenty-four years old, is a son of Wesley Nunn, who lives near Martinsville. He has never been in trouble before, and drink appears to have been the sole cause of the trouble.

AN ENJOYABLE EVENING

Grace Church Choir Adds Pleasant Feature to Hospital Bazar

The boys and girls from the Childrens Home, sixteen in number, were made happy yesterday afternoon when the doors of the Hospital Bazaar were thrown open to them. Immediately upon entering they scattered in every direction attracted by the many beautiful booths and the articles contained therein. When, however, a kind friend offered ice cream and cake for all, the things that dazzled their eyes were speedily forgotten for those that pleased the palate. Apples, candies, and other good things were then distributed and the happy youngsters were gathered about a huge "Jack Horner Pie." Each one was given two opportunities to stick in his or her thumb and pull out a plum—the plums on this occasion being small, but pleasing toys.

The women of the congregation of Grace Church had charge of the special amusement feature last night, and the large crowd present greatly enjoyed the entertainment. The Kewpee Girl's Minstrel show gave a performance which will long be remembered. By request, it will be repeated Saturday night.

The Presbyterian Church will figure in the entertainment tonight, at which time Mr. Arthur Pierce, of Washington, will be present and sing "coon" songs. He is a popular impersonator.

CAMPAIGN FOR BONDING

Alexandrians Make Speeches in Fairfax County Last Night

The campaign for the bonding of Mt. Vernon District, Fairfax county, in the sum of $90,000 for improvement of thirty-three miles of tar macadam roads in that county, to be voted on in the election which will be held November 4 next, was begun last night at a public meeting held at Pullman's store, in that county, when addresses were made by A. D. Brockett, member of the Common Council from the Third Ward, Walter C. Foster, Carroll Pierce and Edward S. Leadbeater. The meeting was presided over by G. K. Pickett.

The speakers predicted the passage of the bond issue would prove most helpful to the residents of the county.

The meeting was an enthusiastic one, about 75 persons being present.

Another meeting in the interest of the bond issue, will be held tonight at Accotink, Fairfax county, when addresses will be made by L. E. Boykin, of the Bureau of Public Roads, Department of Agriculture, Washington, and J. Fred Birrell, Democratic nominee for the House of Delegates from this city and Alexandria county.

It is the purpose of those interested in the project to hold meetings from time to time in order to arouse enthusiasm in the movement, and a short time before the election there will be a general mass meeting, when an address on the subject will be delivered by State Highway Commissioner Wilson.

NEWS OF THE OLD DOMINION

WILL NOT LOSE REGIMENTS.

Required Number of Companies to be organized by January 1st.

Norfolk, Va., Oct. 23.—Postmaster Clinton L. Wright, major and chief of brigade staff, Virginia Volunteers, has returned from the National Guard Convention, held in Chicago. Major Wright, General C. C. Vaughan, of Franklin; Colonel E. E. Goodwyn, of Emporia, and Colonel R. F. Leedy made the trip from Detroit home in an automobile.

The convention protested against the war department order, which disbars on January 1, 1914, all National Guard Regiments without the required 12 companies making up the full regmental quota. General Mills, of the regular army, said regular troops had at times found it a physical impossibility to live up to the twelve company regimental rule. The volunteers said the war department was seeking to enforce a rule on the volunteers that the regular army could not comply with itself.

The Second and Fourth Virginia Regiments are now without the required twelve companies,but will have these by January 1. The Fourth regiment will have one new company at Virginia Beach, with Judge A. J. Ackiss as captain and one from Franklin with either Caughan Camp or R. W. Rawls as captain. The second regiment will have additional companies from Clifton Forge and Manassas.

The Chicago convention also directed its executive committee to prepare a bill to be presented to congress providing for the pay of National Guard officers and men at the rate of from 5 to 15 per cent. and for officers based on regular army pay, according to duties performed, and straight 25 per cent. for men, based on regular army pay, this to be subject to fines for non-attendance upon drills, etc.

The Chicago Convention also urged that the National Military Board be conferred with before the war department enforces orders affecting the organzaton, personnel,or discopline of National Guard in the states.

G. W. Fulks Kills Himself.

Lynchburg, Va., Oct. 23.—G. W. Fulks, well-known market gardener, shot himself in the forehead yesterday morning about 10 oclock in his stable, near his home, in the suburbs, inflicting a wound from which he died a half hour later. Ill health was the cause. He was 63 years of age. and leaves a wife and three sons, (Frank, George and W. C. Fulks.)

CORBETT IS ARRESTED.

Virginia Man Charged With Atlantic Hotel Robbery.

Charged with having stolen a gold watch valued at $250, two mileage books, a fountain pen and $27 in cash from the room of Louis R. Swatland, of Westfield, Mass., at the Atlantic Hotel, David P. Corbett, son of the Rev. H. M. Corbett, of near Staunton, Va., yesterday was conducted to Washington by Detective Embrey from Staunton, where he was arrested by Chief of Police Lipscomb, of that city.

Detective Embrey trailed Corbett over a mountainous stretch and located him in Staunton shortly after the young man arrived there. Embrey faced a blinding snow storm through the Blue Ridge Mountains while on the trail of his man.

VIRGINIA SYNOD.

Presbyterians Discuss Missions at Danville Yesterday.

Danville, Va., Oct. 23.—The Rev. Dr. Egbert W. Smith was the chief speaker at yesterday morning's session of the twenty-sixth annual meeting of the Virginia Synod in the First Presbyterian Church here, foreign missions being the topic for consideration, more than 200 delegates being in attendance.

The Rev. J. E. Booker will deliver his address today on home mission work. The Rev. Dr. S. L. Morris, of Atlanta, Ga., will speak tonight on the home mission work of the general assembly.

The Rev. J. Mercer Blaine, of China, one of the Synod missionaries spoke in the interest of foreign missions.

It is rumored that action will be taken on the dividing up of the territory embraced by the Synod.

A marked evidence of the increased interest in foreign missions in the Synod of Virginia was given a year ago in the report of the committee on this cause, which showed that every Presbytery in the Synod had contributed a substantial increase over what was gven the year before, the total amount being more than $80,000 and the total increase $21,878.

DETECTIVE WAS A ROBBER.

Negro Gets Year in Prison for Robbing Barber Shop.

Suffolk, Va., Oct. 23.—George Battle, once spotter and colored detective, standing well in local police circles, has been given two years in the penitentiary for robbery in Boykins, the trial taking place before Judge James L. McLemore in Courtland at Southampton county court.

Battle is alleged to have volunteered his services with the bloodhounds, being on the scene, when a barber shop in Boykin was broken into, and robbed.

He and his accomplice Day, acted so suspiciously that the Boykins authorities arrested them, charging them with the offense they offered to ferret out.

The trial of Battle, who was defended by John N. Sebrell and prosecuted by Commonwealth's Attorney E. Frank Story, of Southampton took up most of yesterday and today. His accomplice, William Day, went to trial late this afternoon.

Since the Boykins' affair, rumors have been rife that Battle has tried the same trick before. He is alleged to have sold one buggy to six persons, and a warrant for him from Suffolk persons will be waiting for him at the end of his term.

BUMPER TOBACCO CROP.

Figures For First Month Show Increase—Danville Leads List.

Richmond, Va., Oct. 23.—The State of Virginia produced 122,312,223 pounds of tobacco for the year ending August 31, 1913, according to the official figures issued by the department of agriculture yesterday.

The value of the year's crop, based on an average of 15 cents amounted to $18,355,833.48. This average is secured from the range of price from six cents for dark lugs to 37 cents for bright leaf, the current market quotations.

Danville, of course, led the State as usual, the warehouses of that city handling 30,405,767 pounds of the total crop. The warehouses of South Boston came second, with a record of 16,850,757 pounds for the year.

Last season's crop, it will be remembered, fell below the average, while it is expected that the crop this year will show bumper production, and at the same time the average price for both the bright and dark leaf is considerably better than last season.

Commissioner Koiners department issued yesterday the figures for the first month of the present tobacco year—September, 1913—showing total sales of 7,730,047 pounds of loose leaf tobacco on the Virginia markets for that period. Figuring on the same average of 15 cents a pound, the September dealings in loose leaf amounted to $1,159,507.05.

Of the total amount of loose leaf Danville warehouses sold last month 2,158,254, with South Boston again second, with a record of 1,081,760.

The statistics are compiled by the State department of agriculture from figures which the new law requires all the warehouses of the state to furnish Commissioner Koiner.

Changes Among Prests.

Richmond, Va., Oct. 23.—Numerous changes will take eect Sunday in several of the Catholic Churches of Richmond and other Virginia cities according to an announcement made by Bishop O'Connell, of the Richmond diocese yesterday. Father Haire, of the Sacred Hear Cathedral, Richmond, will be transferred to Petersburg, while Father O'Farrell, of that city, will come to this city to take the place at the Cathedral. Father Magri, of Lynchburg, will come to St. Peter's Church in this city, while Father Crow, of Charlottesville, will go to Staunton, and Father Rankin, of Lynchburg, will take a place in Charlottesville.

ANOTHER ELECTRICAL WONDER.

Another wonderful electric discovery has bene made by Signor Ulvi, an Italian engineer, while experimenting with electricity and light. A new force made up of electrical oscillations, called "F rays", was incidentally developed which will cause the explosion of gunpowder or similar substances at any distance when encased with metal coverings. In the experiments made at Havre Signor Ulivi exploded powder contained in metal boxes floating or submerged to a depth of 21 feet, at a distance of nearly eight miles. The Rome correspondent of the London Daily News, describing Signor Ulivi's machine, says:

It is light, portable, small and easily fixed in the cabin of a ship or mounted on a motor car. Naturally its use is equally possible on land and sea, as F-rays can cause explosions in the magazine of a battleship as well as in a fortress or even artillery on the march. F-rays, too, can be sued against dirigibles, provided they have a metal framework. Thus the Zeppelin airships could be easily blown up as the sparklings of the metal would cause an explosion of the gas envelopes.

Signor Ulivi hopes that F-rays will lessen considerably the cost of armaments, as they will render artillery useless. F-rays can also be used instead of a telemetre to discover the whereabouts of a hostile fleet or hidden artillery.

Not only can the rays be used as weapons of offense,but they have also industrial and practical applications, such as the discovering of metal ore in mineral districts. F-rays penetrate the walls of the soil and even water, and their practical utility is most varied.

A contemporary says machines of this kind in good working order would revolutionize present gunpowder methods of warfare and make the building of big warshps an expensive futility.

ANOTHER MINE HORROR.

Two hundred and sixty-six men are supposed to be dead in a New Mexico mine. Only seven of those entrapped have been rescued, and there is every reason to believe their companions are stiff and stark in death from coal gas.

Notwithstanding the alleged safeguards which have from time to time been devised for the protection of thos who are compelled to work in mines, accidents are frequent, and the number of toilers in the bowels of the earth who meet death from explosions and other causes, shows no diminution.

Only a few weeks ago a mine disaster occurred in England which caused many deaths.

DIAZ ORDERED AWAY.

Germany's Activity—French Warship Ordered to Mexico.

General Felix Diaz, the candidate of the Felicistas for President, who landed in Vera Cruz yesterday, was ordered back to Havana by President Huerta. He reached the port in the Corcovado, which was convoyed by the German cruiser Herthe, and announced soon after landing that he would not withdraw from the Presidential candidacy.

As Sunday, the day for holding the elections, draws near, the situation becomes more critical.

That Germany is preparing to take an active part in Mexican affairs was evidenced when, acting under orders from the foreign office, two marine officers were sent aboard the Corcovado. It is believed that the object of Germany is to take care of its own interests in Mexico.

France has ordered a warship to proceed to the Mexican coast to protect French interests.

The attitude of the British foreign office is unchanged. Diplomatic exchanges are passing between Ambassador Page and Secretary Grey, but a tense feeling is gradually developing.

The Administration in Washington is plainly worried over the hostile attitude England is displaying toward the policy of the United States.

Daniel and Evaristo Madero, brothers of the late President Francisco Madero, have been arrested in Monterey, charged with complicity in a plot to turn over that city to the revolutionists.

SIX MONTHS FOR ONE KISS.

Man Seized With Uncontrollable Desire, Sentenced by Judge.

Philadelphia, Pa., Oct. 23.—James Irwin, 35 years old, yesterday morning threw his arms around Mrs. Annie O'Neal gave her jus tone resounding smack, and yesterday afternoon James wtn to jail for six months—the price Judge Boyle placed on the kiss. Irwin did not know Mrs. O'Neal and she did not know him. In court Irwin declared he was not intoxicated, but just had an uncontrollable desire to kiss Mrs. O'Neal who is buxom and happy looking.

The kiss was seen by two firemen, who also heard Mrs. O'Neal's screams. They placed Irwin under arrest. He said he thought six months for just one platonic kiss was rather high priced.

SUSPECT RELEASED.

Man From Dayton, Ohio, Not Connected With $1,000 Robbery.

Thomas Sullivan, who was arrested in Alexandria Tuesday night and taken to Washington yesterday to be investigated in connection with the taking of $1,000 from the pocket of Charles A. Clements, disbursing officer at the patent office, was released last night, the police having failed to identify him in connection with the robbery.

Cupboard With 12,144 Cubic Inches for Pots and Pans.

Now notice also how much room you have for pots, pans and kettles. That big cupboard in the base contains 12,144 cubic inches of space. It is astonishing how many things you can keep in it. In the middle of the cupboard is a sliding shelf which comes out the same as a drawer. If you are sitting in front of the cabinet you can reach down without getting off the stool, pull out this shelf with one hand, take off a pan or kettle, and push the shelf back out of the way. Thus, an article that is at the very back of the shelf comes to the tip ends of your fingers.

HELPLESS AS BABY

Down in Mind Unable to Work, and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emey, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work.

I began taking Cardui, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 bottles, my health was completely restored. I am now 48 years years old, but feel as good as I did when only 16.

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them."

If you suffer from any of the ailments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years, and will help you, too.

Try Cardui. Your druggist sells it.

"MYSTICS" NAMED IN SUIT.

Weird Rites of Sect Described by Dentist's Wife.

Los Angeles, Cal., Oct. 23.—An action for separate maintenance filed at Santa Ana by Mrs. Alice Maud Robinson against Dr. Rockwell D. Robinson, a Los Angeles dentist, has involved in a sensational manner the alleged hidden teachings of the order of Christian Mystics.

This religious sect, which is also known at "the order of the 15," has its center in this city in the Black Building, and the secretary Dr. F. Homer Curtis and his wife, are charged by Mrs. Robinson as having influenced her husband against her.

Woven into the amazing tale, as the complainant outlines, is a rare record of incarnation, which far outshines Paul Armstrong's Love Story of the Ages, a description of the "sanctuary," where wierd and esoteric rites are said to have been performed the teachings under the head of "the transmutation of sex forces."

Mrs. Robinson's cross complaint and answer to her husband's divorce suit opens up the entire scheme of this organization to public scrutiny. Mrs. Robinson, who was a widow, living near Boston, with an inheritance of $100,000 in money and property from her deceased husband, met Dr. Robinson through the Curtisses, who founded their cult in Philadelphia. She married Dr. Robinson, January 1, 1910.

The headquarters of the order were moved from Denver to Los Angeles about that time and Dr. Robinson and other persons came along and helped establish the "mystics" here.

SKIRTLESS BATHING SUITS.

Chicago City Council Committee Takes up Question.

Chicago, Ill., Oct. 23.—Skirtless bathing suits for women and segregated sun baths for "beach bathers" were recommended at a meeting of the city council health committee yesterday. The meeting was the result of the arrest of Dr. Rosalie M. Ladova last summer when she went into the water at the Jackson Park free beach in a bloomer suit, minus a skirt. Dr. Ladova and Mrs. L. Brackett Bishop and Mrs. O'Mally, wife of Dr. Thomas J. O'Mally, former member of the board of education, were announced as the chief advocates of the skirtless suits. Arguments were made also against the wearing of stockings by women bathers as being unsanitary and a needless expense.

"Nothing has prevented women from being good swimmers so much as the wearing of long skirts," said Norman C.B.Cox, swimming instructor of the Chicago Athletic Association, in a letter to the committee. "Not any of the requirements of propriety are served by the drapery of a wet skirt."

TRIES TO KILL CHILDREN.

Insane Mother Throws Her Little Son and Daughter Into River and Attempts Suicide.

Crisfield, Md., Oct. 23.—Crazed by the use of drugs, it is said, Mrs. Annie Harrison, 30 years old, created excitement in Crisfield Tuesday, when she attempted to kill her two small children and then commit suicide.

Mrs. Harrison took her two children, a girl of 7 and a boy of 2, down to the river at Cove Landing and threw the smallest child overboard. As the child came to the surface of the water the first time, the mother attempted to push it down again, when her action was seen by Alexander Gerald, who lives nearby. Gerald ran to the river and rescued the child, being compelled to battle with the mother before he succeeded in getting the little one out of the water.

While he was reviving the infant, the mother grabbed the 7-year-old girl and threw her into the water. With the infant in one arm, Gerald again jumped into the river and saved the little girl. The mother then attempted to commit suicide by drowning and was only prevented by a number of men, who had been attracted to the scene. The children were taken to a nearby home, where they were dressed in dry clothing and cared for. Mrs. Harrison was examined by Drs. R. R Norris and W. H. Coulbourn, and pronounced insane, and was committed to Spring Cove Asylum.

Justice W. A. Bitton committed the children to St. Vincent's Home for Children, Baltimore, and mother and children were taken to the two institutions last night by Sheriff Tull and Deputy Townsend.

Mrs. Charles W. Fairbanks, wife of the former Vice President, is critically ill at her home in Indianapolis, Ind.
